Earl James Harley 111

*"In Loving Memory
I Miss You Always Son"*

*My heart has been broken
Since the day you had to go
And the memories I treasure dearly
Are in the tears that
still flow*

*You're in my thoughts everyday
And that's how it will
always be
For you may be up in Heaven now
But you'll
always be with me*

*If only I could have a chance
To see your face once more
Or to hear your voice one final time
Just like it was before
The day that Heaven calls home for me
Will be a relief
from all of this pain
I'll run to you with open arms
And we will meet again*

-Your loving mother

Earl James Harley (31) was born on October 9, 1990. Earl returned to his heavenly home on April 30, 2022. Born to Sheila Young-Harley the late Earl James Harley Jr. He was the grandson of the late Earl James Harley Sr. and Alice Martin, along with the late Nathaniel & Madeline Young. He was also the beloved nephew of the late Victoria Robinson, Viola Young and Anthony Young and Raymond Gibson.

Earl graduated from Brockton High School in 2009. He was an avid sports player of basketball and football. He was an outgoing, down to earth young man who loved his video games and being around family and friends, especially his three sidekicks/ cousins Tarsha, Raymond and Frank. The four of them were inseparable and would always make each other laugh. Earl wasn't a young man of many words, but when he did speak everyone in his presence would feel loved, appreciated and most importantly a member of his family and circle.

On April 19th Earl had a severe asthma attack where he was hospitalized until April 30th where he gained his wings. Earl fought a good fight but heaven needed him more. Earl will truly be missed by all of his family and friends near and far.

Earl leaves behind his mother Sheila Young-Harley, (4) Sisters: Tamika Wilson, Lakisha Davis (Tariff Davis), Irma Wilson and Zakendra Jackson. "If Tears Could Build A Stairway"

*If tears could build a stairway, And memories a lane. I would walk right up
to Heaven And bring you back again. No farewell words were spoken No time
to say Goodbye." You were gone before I knew it, And only God knows why.
My heart still aches with sadness, And secret tears still flow. What it means to
love you, No one can never know. But now I know you want me To mourn for
you no more; To remember all the happy times Life still has much in store.
Since you'll never be forgotten, I pledge to you today A hollow place within my
heart Is where you will always stay.*

- Love your sister Kisha

"In Loving Memory of our Dear Brother"

*You gave no one your last farewell,
Nor ever said good-bye.
You were gone before we knew it,
and only God knows why.*

*A million times we will miss you.
A million times we will cry.
If love alone could have saved you,
You would have never died.*

*In life we loved you dearly,
In death we love you still.
In our hearts you hold a place,
no one else could fill.*

*It broke our hearts to le you,
but you didn't go alone,
for part of us went with you,
the day God took you home.*

*We will meet again someday
I know in a better place.
I thank God he made you our brother
while you were here on earth.*

-Love your sister Irma
