

~~To My Husband, Lover, and Friend~~

*I am going to miss your daily presence, your tender touch, and your kind words. You came into my life and helped me believe in myself in the midst of my struggles. You Helped me to realize I could be all that God designed for me to be. You were the man that I prayed for; a man after God's own heart. We laughed, cried, and prayed together. You were a wonderful father to our children. You modeled for our girls what a true example Of what real love should be. You showed our sons how to treat the loves they chose. Don't worry about anything anymore. Gods got me and the now grown-up children. I Will love you forever and always. Rest now, my love until we meet again.
P.S.: I'll continue to watch tv with Bella, just for you. Rest well my love.*
